PARENTS OF JUNIORS WHO PLAN TO GO TO COLLEGE:

The last opportunity for students to take the Scholastic Aptitude Test (SAT) or Achievement Tests in specific subjects, such as English Composition, Mathematics, Physics, Chemistry, American History, or a foreign language is June 5, 1976. Registration forms are available in the Main Office and must be mailed to the College Entrance Examination Board, Princeton, NJ, by April 30, 1976.

You are invited to attend JOB PLACEMENT DAY on WEDNESDAY, APRIL 7, at the CAREER CENTER. Buses will take students to the senior for the 9:00 - 11:30 A.M. ADVANCED PLACEMENT EXAMINATION:

This examination will be given May 17 - May 21, 1976 in a number of different subject areas including English, American History, Calculus, Biology, Physics, Chemistry, etc. Students who wish to take these examinations should notify their teachers or Miss Wilson by March 24. WAKEFIELD PARENT-COMMUNITY GROUP

Dear Parents:

March 1976

I am the Home-School Liaison in the Wakefield-Gunston School Area. This is to express my concern about students not taking full advantage of courses offered, and that are available.

School population is steadily declining and many classes will have less than normal enrollment if something is not done. Many students have only 4 scheduled classes a day and are not taking full advantage of other courses being offered. Students have too much free time on hand.

The Wakefield Parent-Community Group is concerned and along with me, would like to do something about it. Won't you, as a parent, come to our meeting at Wakefield High School, on Wednesday, April 21, 1976, at 10:00 A.M., in the Home Economics Lounge, Room 160. We join you in conversation and coffee.

Sincerely,
Audree S. Alexander

NEWS FROM HOME ECONOMICS DEPARTMENT

PARENTS:

Are you aware that in slightly over a year a big change will occur in your child's life? This change will probably include establishing a more independent life style. WAKEFIELD has a course that is especially suited to help your son or daughter prepare for independent living.

Independent Living for Young Adults will teach your child some of the following

What to look for in renting an apartment
How to balance a checkbook
How to shop wisely
How to file an income tax return
How to bake a good loaf of bread
How to cuff a pair of pants
And how to do many more things

Call June Ames or Anne Kensek at 671-8800, we would be happy to talk with your young adult in the Home Economics Department.
